Wireless Combo

# A BOLD STATEMENT

Deck up your workstation with a modern keyboard and mouse set. With a stunning mix of glossy and piano finish, this combination will definitely glam up your workspace.

# A REVOLUTIONARY TYPING EXPERIENCE

Typing for hours is a breeze with concave keys that position your fingers comfortably to give you a fast and exceptional typing experience. Softly rounded keys are pleasing to the touch and facilitate faster keystrokes and quieter typing. With a slim profile, a full-size layout and adjustable tilts, this keyboard is all about uncompromised comfort.

# INCREASED PRODUCTIVITY. IMPROVED CONTROL.

An accurate highly-functional mouse is included to complement the elegant keyboard perfectly. It fits conveniently in your hands with its contoured edges and silky soft grip. Equipped with an electroplated scroll wheel for advanced efficiency and a CPI button for precise tracking speed, it ensures you're in complete control always.

# BEAUTY IN SIMPLICITY

Setup couldn't be any easier - simply plug the nano USB receiver and start typing, tweeting, blogging right away! The tiny wireless receiver stays in your PC and connects both the keyboard and mouse. The Wireless connectivity also eliminates interferences, dropouts while giving you a range of up to 10 meters. With being powered by batteries and auto power save mode, you can safely bid goodbye to all charging hassles!
