

Engineered for
Maximum Compatibility & Reliability
(Integrated with high-end chipset)

TopNotch 3-in-1
Type-C Hub

Making all your multi-tasking dreams come true, **FINGERS TopNotch 3-in-1 Type-C USB Hub** is your productivity buddy at its best! Instantly provides 3-in-1 access with multiple next-generation ports - **HDMI, USB Type-C and USB 3.0** and features a sleek and sophisticated design in a classy slate grey shade.

Engineered with a **high-end chipset**, this USB Hub delivers unparalleled performance with **great speed, maximum compatibility and incredible reliability with finesse**. Keep it stationed on your workstation or take it with you on-the-go, with an ultra-modern profile crafted for maximum portability.

TopNotch 3-in-1
Type-C Hub

3-in-1

Experience

All these 3 ports can be used simultaneously for **data management, quick device charging and extending display.** It can connect an extensive range of peripherals from keyboards and printers to hard drives, consoles, smartphones and much more.

USB Type-C (PD Charging)

Featuring Power Delivery (PD) that supports up to 100 Watts of power delivery - It will power up your devices super-quickly and efficiently, while you work on that presentation or edit the next picture.

HDMI

Supports 4K @ 30 Hz Resolution so you can quickly extend your Laptop's screen and connect it to the TV and present or watch a movie.

USB 3.0

Ensures super quick data transfer of large work files, high-definition movies, images & favourite songs at a lightning speed of up to 5 Gbps, all in a matter of seconds. And because you can transfer large work files in the blink of an eye, you will spend less time syncing and more time working (or chilling).

TopNotch 3-in-1
Type-C Hub

Simple Plug-n-Play setup
