Quick Start Guide

Octane-100

2.1 Channel Sound Bar with Wired Subwoofer

I. Important - Warnings and Safety

1. Do not place the speaker near heat sources such as fire, radiators, stoves and other apparatus that produce heat.
2. Use only accessories supplied by FINGERS.
3. Unplug the power cord of the speaker when unused for long periods of time or during lightning/thunderstorms.
4. Do place the speakers on a stable surface and keep out of reach from children.
5. To avoid any shock hazards, we recommend not to remove the cover, dismantle the unit or even insert any object in the unit.
6. It is recommended to refer all servicing to qualified personnel only. Servicing is required when the speaker has been damaged in any way. Any evidence of any attempt to open and/or alter the device, including any scratch, peeling, puncturing, or removal of any of the labels, will void the Limited Warranty.

II. Care and Maintenance

1. Switch off the speaker before cleaning it.
2. Use soft, damp cloth to clean the surface.
3. Do not use any chemicals, solvents, or cleaning solutions containing alcohol, ammonia or abrasives.
4. Do not allow any liquid to enter into any of the openings.
