Quick Start Guide

**Rock-N-Roll H6
Wireless BT Headset**

I. Important - Warnings and Safety

1. While placing the headphone in your ears, please keep the volume down and then gradually adjust the volume to an appropriate, comfortable level.
2. Prolonged use at high volumes might damage your hearing.
3. Focus on your safety and of others. We recommend not to listen music while riding or driving, or at any time when the inability to hear surrounding sounds may present a danger to yourself or others.
4. If you experience a warm sensation or loss of audio, do remove and disconnect immediately.
5. Do not place the headphone near heat sources such as fire, radiators, stoves, light candles and other apparatus that produces heat.
6. Use only those accessories supplied by FINGERS.
7. Unplug the headphone once it is fully charged, when unused for long periods of time or during lightning/thunderstorms.
8. It is recommended to refer all servicing to qualified personnel. Servicing is required when the device has been damaged in any way. Any evidence of any attempt to open and/or alter the device, including any scratch, peeling, puncturing, or removal of any of the labels, will void the Limited Warranty.

II. In the box

- 1 x FINGERS Rock-n-Roll H6
- 1 x AUX Cable
- 1 x USB Type-C Charging Cable
- 1 x Quick Start Guide
- 1 x Brand Note

4. Volume Down/Previous Track Previous Track Decrease Volume	Short Press Long Press

IV. Charging

- A red light indicates that it is in charging mode. Once it is completely charged, the LED glow changes to blue.

V. Enjoy music in following ways:

i. Bluetooth Mode

- Press On-Off switch to switch on the Headphone till the LED indicator starts flashing in blue and red alternately, signifying that it is ready to pair a device.
- As it flashes blue and red alternately, make sure that Bluetooth is enabled on your device. Find the device list and select “FINGERS Rock-n-Roll H6”.
- The indicator flashes in blue for a moment, a sound connected is heard and it is ready to play.
- Repeat above steps to pair another device.

ii. FM Radio

- Press on the mode button till the voice prompt of the word “FM Mode” is heard.
- You can double press MFB to scan the FM Channels. Once FM radio is tuned, you can press Previous track and Next Track to change the channels.

iii. Micro SD

- Insert the Micro SD in provided Port.
- You can then play your favourite track directly from the MicroSD Card.

iv. AUX

- Insert the AUX external audio cable and the audio system will automatically play back with priority and prompt tone.

VI. Care and Maintenance

1. Switch off the device before cleaning it.
2. Use soft, damp cloth to clean the surface.
3. Do not use any chemicals, solvents, or cleaning solutions containing alcohol, ammonia or abrasives.
4. Do not allow any liquid to enter into any of the openings.
