## Quick Start Guide

RollingParties-110N  
Multimedia Speaker

## I. Important - Warnings and Safety

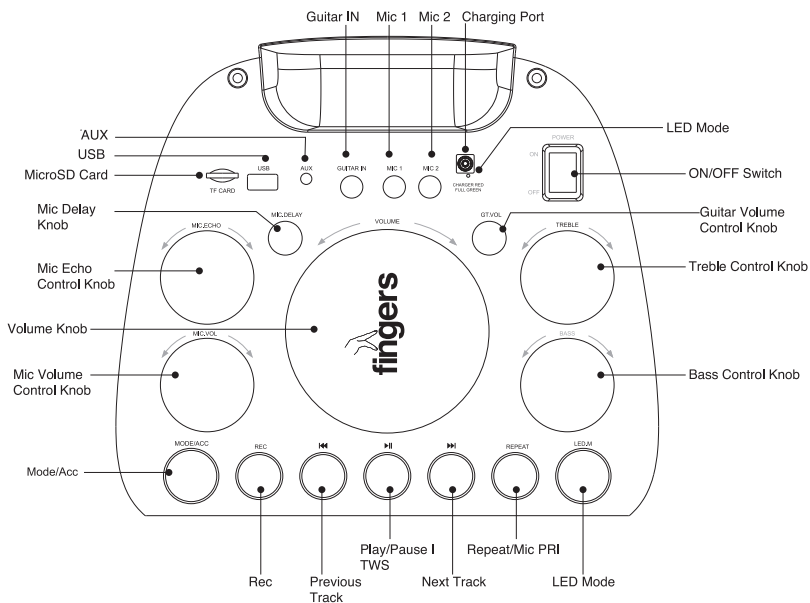

1. Do not place the speaker & Mics near heat sources such as fire, radiators, stoves and other apparatus that produce heat.
2. Use only accessories supplied by FINGERS.
3. Unplug the speaker/Mic once it is fully charged, when unused for long periods of time or during lightning/thunderstorms.
4. It is recommended to refer all servicing to qualified personnel. Servicing is required when the speaker has been damaged in any way. Any evidence of any attempt to open and/or alter the device, including any scratch, peeling, puncturing, or removal of any of the labels, will void the Limited Warranty.

Battery Care Guidelines:

- 1. Recharge the speaker when the low battery voice prompt is heard.
- 2. For optimal battery health, charge for 10-12 hours.
- 3. Avoid using the speaker while it is charging.
- 4. If unused for over 3 months, charge once for up to 24 hours.

fingers.co.in | Ver.: 1.0.0

\*Tested under ideal conditions and in BT playback mode, Playback time may vary depending on usage, playback mode and volume levels.  
\*FM radio functionality depends on local network conditions & may vary by area, For better reception, we recommend connecting an external USB cable, which can act as an antenna & improve signal strength.
