# Quick Start Guide

SoulSound-64
Multimedia Speaker

## I. Important - Warnings and Safety

1. Do not place the speaker & Mics near heat sources such as fire, radiators, stoves and other apparatus that produce heat.
2. Use only accessories supplied by FINGERS.
3. Unplug the speaker/Mic once it is fully charged, when unused for long periods of time or during lightning/thunderstorms.
4. It is recommended to refer all servicing to qualified personnel. Servicing is required when the speaker has been damaged in any way. Any evidence of any attempt to open and/or alter the device, including any scratch, peeling, puncturing, or removal of any of the labels, will void the Limited Warranty.

## II. In the box

1 x FINGERS SoulSound-64
2 x FINGERS Freedom Mic-U104
1 x AUX Cable
1 x Type-C Cable
1 x Remote Control

**Microphone Connection**
When the speaker and the bundled wireless microphone are switched on, they automatically pair with each other. After successful pairing, the microphone is ready to use.

To connect an additional microphone, plug a wired microphone into the MIC port or insert the receiver of a wireless microphone into the MIC port on the speaker. The microphone will then be ready for use.

## V. Charging

### i. Speaker

• Connect a Type-C cable to the Type-C port on the speaker to charge it.
• When on Charging, the LED indicator is red.
• When fully charged, the LED indicator turns off.

### ii. Microphone

• Connect a Type-C cable to the Type-C port to charge the microphone.
• A charging icon/animation appears on the microphone display while charging.
• When the microphone is fully charged, the charging indication stops.

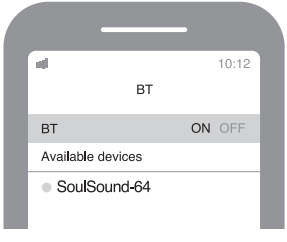
## VI. Modes

You can enjoy your music in the following ways:

i. BT
ii. USB
iii. MicroSD
iv. AUX
v. FM

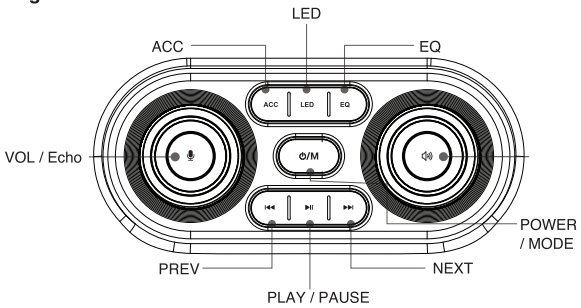
### i. BT Mode

- When the device is switched on, it automatically goes to BT mode.
- If any source is connected (USB, MicroSD or AUX), press “MODE” till BT Mode is heard.



- Make sure that BT is enabled on your device. Find the device list and select “FINGERS SoulSound-64”. A Sound prompt of “Connected” is heard and it is ready to play.

**TWS Setting**

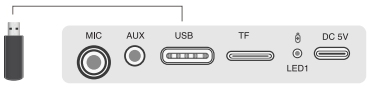


1. Bring two FINGERS SoulSound-64 speakers close to each other and switch ON both speakers.
2. Long press the Play/Pause button on both speakers to enable TWS mode. Both speakers will connect automatically.
3. Enable BT on your device and select “FINGERS SoulSound-64” from the BT device list. Once connected, both speakers will work together in TWS mode

*Note: TWS function is supported only between two FINGERS SoulSound-64 speakers in BT mode.*

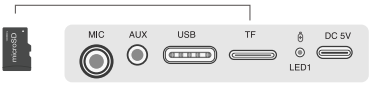
**ii. USB**

- Insert the USB device (Pen Drive) in the provided port.
- You can then play your favourite tracks directly from the USB.



**iii. MicroSD**

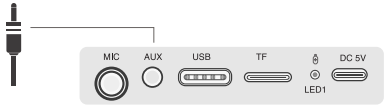
- Insert the MicroSD in provided Port.
- You can then play your favourite track directly from the MicroSD Card.



- Insert the MicroSD in the provided Port.
- You can then play your favourite tracks directly from the MicroSD Card.

### iv. AUX

When an AUX cable is connected, the speaker automatically switches to AUX mode and plays the audio with priority along with a prompt tone.



### ii. FM Radio

- Press on the “Mode” Button till the voice prompt of the word “FM Mode” is heard
- Long press “⏭” to scan the stations automatically.
  You can again press the same button to stop the scan
- Once the FM radio is tuned, you can long press “⏭” and “⏮” to select the desired FM Channel.
- Short press “⏯” to mute the FM.
