## GlowBox-L1

# FASHION PC CASE

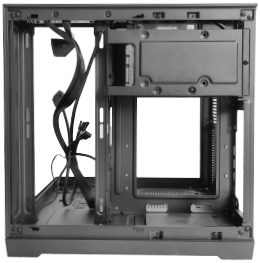

Installation Guide

# Hard Disk Installation Steps

## Step 1: Remove the Right-Side Panel

- Loosen the thumb screws securing the Right-Side Panel of the cabinet.
- Carefully slide the panel away from the cabinet to access the internal drive mounting areas.

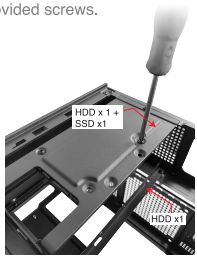

## Step 2: Install the HDD/SSD

### Option 1: Behind the Motherboard Tray

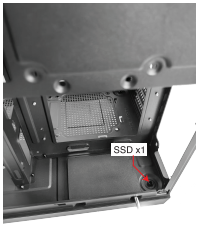

- Place the HDD/SSD in the designated mounting slot behind the motherboard tray.
- Secure the drive using the provided screws.

### Option 2: Bottom Panel (Below the SMPS)

- The cabinet also provides an SSD mounting provision below the SMPS.
- Place the SSD in the designated mounting area.
- Secure the drive firmly using the provided screws.

## Step 3: Reinstall the Side Panel

- Place the Right side panel back onto the cabinet.
- Tighten the thumb screws securely to complete the installation.
